RE: **Revised Closure Schedule for Turf Replacement at Park Square**

ValleyCrest Landscape informed us today that there is an issue with the recently installed turf at Park Square. They are in the process of removing it and will be installing the new turf **Thursday, May 15th, 2014**.

This will require that Section #2 & #3 be closed four (4) additional days to allow the root system for the new turf to take hold. Below is the revised schedule for this project:

- **Section #2 & 3 are currently closed and will re-open for use on Friday, May 23rd, 2014.**

If you have any questions or comments regarding this memorandum please contact the Office of the District Manager at (813) 933-5571 or via email at edailey@rizzetta.com.

Sincerely,

Eric Dailey
District Manager
